

Program
Second Australian Symposium on Services Research and Innovation
(The Annual Meeting of the Service Science Society of Australia)
Nov. 19th and 20th, 2012
Darlington Center
University of Sydney

DAY ONE (Nov 19th, 2012):

9:00 – 9:15am: Welcome (Chairs)

9:15 – 9:45am:

Dr. Dimitrios Georgakopoulos

Research Director, Information Engineering Laboratory, CSIRO, Australia

TITLE: Open Big Data Solutions for the Internet of Things

9:45 – 10:15am:

Dr. Surya Nepal

Principal Research Scientist

CSIRO ICT Centre

TITLE:

Secure Data Services in Hybrid Cloud Environments

10:15 – 10:45am:

Shankar Sivaprakasam

Senior Business Development and Strategic Sales Executive

Hewlett Packard

TITLE: Frugal services innovation – lessons from emerging markets and an adoption framework for first world corporations and governments during economic austerity.

10:45 – 11:00am: MORNING BREAK

11:00 – 11:30am:

Dr. Renu Agarwal, UTS

11:30 – 12:00 noon:

Prof. Ryszard Kowalczyk, Swinburne University of Technology

12:00 – 12:45pm: LUNCH

12:45 – 1:15pm:

Dr. Christine O'Keefe

Science Leader for Privacy and Confidentiality, CSIRO

TITLE: Privacy by Design in Services Science

1:15 – 1:45pm:

Prof. Joseph Davis

School of Information Technologies

University of Sydney

TITLE: An Integrated Marketplace for Computational and Human Services

1:45 – 2:15pm:

Prof. Aditya Ghose

School of Computer Science and Software Engg.

University of Wollongong

TITLE: Services research in Australia: A roadmap

2:15 – 2:45pm:

A/Prof. Fethi Rabhi

School of Computer Science and Software Engineering

UNSW

TITLE: Using Services for Large Scale Data Analysis

2:45 – 3:00pm: AFTERNOON BREAK

3:00 – 3:30pm: KEYNOTE

David Caspari

Managing Director, Hewlett-Packard (Australia and New Zealand)

3:30 – 5:00pm: INDUSTRY PANEL

- **Andrew Thomson -Director of Public Sector Strategy, Cisco (Asia Pacific, Japan, China)**
- **Craig Baty - Executive General Manager and CTO, Fujitsu**
- **Bob Hayward - Chief Technology and Innovation Officer, CSC Australia and Asia**
- **Brad Howarth - commentator and author on digital transformation**
- **John Brand - Vice President and Principal Analyst, Forrester**
- **Pradeep Khanna - Presenter - CEO GLobal Mindset and Executive Director, Integrating Australia with Asia**
- **Greg Stone - CTO of Microsoft**
- **David Caspari, Managing Director, Hewlett-Packard (Australia and New Zealand)**

5:00 – 6:00pm: NETWORKING

DAY TWO (Nov. 20th, 2012):

9:00 – 9:30am:

Prof. Albert Zomaya
School of Information Technologies
University of Sydney
TITLE: The Cost Efficiency of Cloud Bursting

9:30 – 10:00am:

Prof. Guido Governatori
NICTA
TITLE: The journey to automating regulatory compliance

10:00 – 10:30am:

Prof. San-Yih Hwang
National Sun Yat Sen University
Kaohsiung, Taiwan
(representing the Service Science Society of Taiwan)
TITLE: Service Science Progress in Taiwan

10:30 – 10:45am:

Mahboobeh Moghaddam
University of Sydney
TITLE: An Auction-based Approach for Composite Web Service Selection

10:45 – 11:00am: MORNING BREAK

11:00 – 11:30am:

Dr. Srinivas Padmanabhuni
Associate Vice-President
Infosys Labs
TITLE: Software engineering: The underdog dimension of Services Computing

11:30 – 11:45am:

Weisi Chen
UNSW
TITLE: E-Research Event Data Quality

11:45am – 12:00noon:

Evan Morrison
University of Wollongong
TITLE: Strategic Alignment of Business Processes

12:00 – 1:00pm: LUNCH

1:00 – 1:30pm:

Prof. Alistair Barros
QUT

1:30 – 2:00pm: Dr. Saul Caganoff
CTO, Sixtree
TITLE: Services as a Service – the burgeoning ecosystem of APIs

2:00 – 2:30pm:
Prof. Simon Kaplan
NICTA

2:30 – 3:00pm:
Prof. Markus Stumptner
University of South Australia

3:00 – 3:15pm:
Moira Scerri
UTS
TITLE: Service complexity: A determinant of service productivity

3:15 – 3:45pm: AFTERNOON BREAK

3:45 – 4:00pm:
Saradhi Motamarri
UNSW
TITLE: Status of Health Care Services, Mobile Health, and Health Care Service Design

4:00 – 4:15pm:
Seung Hwan Ryu
TITLE: Integrating Community Knowledge Acquisition and Data Features Analysis for Recommending Entity Similarity Functions

4:15 – 4:30pm:
Syed Beheshti
UNSW
TITLE: FPSPARQL: A Graph Query Engine as a Service

4:30 – 4:45pm:
Tri Kurniawan
University of Wollongong
TITLE: A Framework for Process Ecosystem Management

4:45 – 5:00pm:
Wan Ting Jiang
University of Wollongong
TITLE: Non-functional Gateway for decision making in business process management
